Age Of Mythology Strategy Guide

Age of Mythology (AoM) is a real-time strategy video game developed by Ensemble Studios and published by Microsoft Game Studios. It was released on October 30, 2002 in North America and a week later in Europe. A spin-off from the Age of Empires series, Age of Mythology takes some of its inspiration from mythology and legends of the Greeks, Egyptians, and Norse, rather than from actual ...

When Ensemble Studios made the original Age of Empires in 1997, few seemed to expect that this Civilization-inspired work would spawn what has since been considered one of the classic franchises in the real time strategy genre. Although not the first of its kind, the series stood out sharply from the fantasy and science fiction themes of many other RTS - barring the fantastical, if still ...

The Greek Mythology Link (1997) is a collection of myths based on Genealogical Guide to Greek Mythology (1993) and represents, in several respects, an expansion of it. Several peer reviews (i.e., evaluations made by professionals working in similar fields) of the book may be read in this page. One review comes from the Classical Association of Canada.
