

Bosch Exxcel Fridgezer Lights Flashing

Bosch Exxcel Fridgezer Lights Flashing

A 4 year old Bosch Exxcel -Maxx freedom performance fridge freezer. The fridge is sometime cold enough and then suddenly is not cold at all. The freezer section does the same thing - ok one day and defrosting the next. At the moment the green light is flashing and the fridge is not cold.

Green light continually flashing on Bosch fridge freezer ...

Good morning. I have a Bosch Fridge Freezer Exxcel which is approx 9 years old. The plastic surround beneath the fridge part is very hot and water is appearing under the salad drawer in the fridge. Yesterday the temperature gauge for the fridge started flashing. Is the fridge freezer repairable and would it be expensive to do so?
