Morality as it pertains to the business management world is commonly known as management ethics. While each company has a different ethical standard, management ethics are largely the same in every industry. In many ways, this type of ethical understanding exists as an unwritten code, though literal ...

What are Management Ethics? (with pictures) - wisegeek.com

Ethics or moral philosophy is a branch of philosophy that involves systematizing, defending, and recommending concepts of right and wrong conduct. The field of ethics, along with aesthetics, concerns matters of value, and thus comprises the branch of philosophy called axiology. Ethics seeks to resolve questions of human morality by defining concepts such as good and evil, right and wrong ...
