Creating Access to Information. Despite the fact that 90% of Cambodia's 700,000 garment and footwear workers are women, our research revealed little information is available about job opportunities for low skilled women in the labor market.

Cambodia - The Asia Foundation

1. A business opportunity is an investment that allows an entrepreneur to begin a business. Technically speaking, all franchises are business opportunities, but not all business opportunities are franchises. Due to the Federal Trade Commission and individual state regulations regarding franchises and business opportunities, it is important to know the difference between the two.
