The Gutenberg Bible (also known as the 42-line Bible, the Mazarin Bible or the B42) was among the earliest major books printed using mass-produced movable metal type in Europe. It marked the start of the "Gutenberg Revolution" and the age of printed books in the West. The book is valued and revered for its high aesthetic and artistic qualities as well as its historic significance.

Gutenberg Bible - Wikipedia

But there is a natural difference between a female and a slave: for nature is not like the artists who make the Delphic swords for the use of the poor, but for every particular purpose she has her separate instruments, and thus her ends are most complete, for whatsoever is employed on one subject only, brings that one to much greater perfection than when employed on many; and yet among the ...

Complete - definition of complete by The Free Dictionary

The mission of the English Department at North Dakota State University is to cultivate understanding, knowledge, and appreciation of the English language, its speakers and writers, and its literatures and cultures, such that students and department members use the language creatively, critically, and effectively to participate ethically in civic and professional life.

How it began. When the members of the Philological Society of London decided, in 1857, that existing English language dictionaries were incomplete and deficient, and called for a complete re-examination of the language from Anglo-Saxon times onward, they knew they were embarking on an ambitious project.

Broken definition and meaning | Collins English Dictionary

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.
