Engendering Environment Start | Umweltbundesamt

This title was first published in 2000. Priya Kurian's research offers environmental policy scholarship a new, theoretically rich, and empirically validated approach to understanding the significance of gender to environmental policy.

Engendering the Environment? Gender in the World Bank's ...

In examining the theories and practices of Environmental Impact Assessment through a case study of the World Bank and its role in the Sardar Sarovar Project, the paper offers a particular story. It examines the institutional dynamics of the environmental impact assessment process, with a particular focus on analysing how gender permeates the EIA process and the implications this has for women ...

AbstractIn this paper, I examine how agricultural diversification and food security are transforming

wetland environments in The Gambia. With irrigation schemes being implemented in lowland swamps to encourage year-round cultivation, agrarian relations are rife with conflict between men and women over the distribution of work and benefits of increased household earnings.
