So You Want to be a Model! If you are reading this page it probably is because you are interested in becoming a model. There are many kinds of models: fashion, commercial and glamour are the

major divisions. These pages will not discuss glamour models in detail – that is a topic best left to others who deal in that specialty.

Modeling Introduction - Newmodels

One of the things I neglected to mention in my banquette-building post was how to cut the foam. Having no money, I cut through five-inch-thick foam sections by making repeated swipes with a cheapie utility knife like the one above. It was time-consuming, messy, far from accurate, and doing the...

How to cut foam: The dumb way, the expensive way, and the ...
