From The Gracchi To Nero

The Gracchi brothers, Tiberius and Gaius, were Romans who both served as tribunes in the late 2nd century BC. They attempted to pass land reform legislation that would redistribute the major aristocratic landholdings among the urban poor and veterans, in addition to other reform measures. After achieving some early success, both were assassinated by enemies of these reforms.

Rome's span was vast. In the regional, restless, and shifting history of continental Europe, the Roman Empire stands as a towering monument to scale and stability. At its height, the Roman Empire, unified in politics and law, stretched from the sands of Syria to the moors of Scotland, and it stood for almost 700 years. This course draws on a wealth of primary and secondary sources, including ...
