In case you haven't heard of this CD-only player, you have surmised correctly: "Mohican" is a reference to the James Fenimore Cooper novel, *The Last of the Mohicans*. Given the current ascendancy of computer audio, Norway's Hegel Music Systems believes the Mohican is most likely the last CD player it will release—and just might also be the last such player many music lovers will own.

Critique of Hegel's Philosophy in General ||XI| (6) This is perhaps the place at which, by way of explanation and justification, we might offer some considerations in regard to the Hegelian dialectic generally and especially its exposition in the *Phänomenologie* and *Logik* and also, lastly, the relation (to it) of the modern critical movement. So powerful was modern German criticism's ...
