notes. At Thinkswap, we firmly stand behind the belief that the best way to revise is to look at the same information in multiple different ways.

Chemistry Study Notes, Study Guides, Questions & Problem ...

These are the notes I created for the HSC Chemistry course, borrowing Andrew Harvey's colour styling and a few Creative Commons Licensing images from his notes and from the web. They are an amalgamation of his notes, Conquering Chemistry, KISS notes and what the teacher had taught me during class; I think they're quite detailed, but compact.
