

## *Love A Celebration In Art Literature*

### **Love A Celebration In Art**

One Love is a transformative 3-day multi-media art event that is a celebration of life and our diverse artistic community. The event is designed to give artists a platform to perform, share and leverage their art to the betterment of the community, while raising awareness and inspiring hope for the love of all artistic platforms.. This event is free and open to the public.

August 8, 2016; Posted by Marc; Join Us for the NYC Premier of An Art that Nature Makes at the Film Forum. If you follow Wooster Collective, you know we believe in the added value of art in our everyday world, and the important intersection of urbanization, decay, and art.

### **Wooster Collective**

"True art, when it happens to us, challenges the 'I' that we are," Jeanette Winterson wrote in her exquisite meditation on how art transforms us. Frida Kahlo (July 6, 1907-July 13, 1954) has effected such inner alchemy in millions of selves with unexampled might, perhaps in large part because her art was the product and record of her own violent and transcendent transformation.

From the late 1960s onward, Phyllis Mills Wyeth (November 13, 1940 – January 14, 2019) was a muse to her husband, artist Jamie Wyeth. The selection of paintings assembled in this exhibition are a memorial tribute and reflect Phyllis Wyeth's vibrant spirit and love of nature, horses, and her ever-present dogs.

It's clean I love the popcorn the hot dogs are awesome!! I love the variety of condiments and popcorn seasonings and I love Pepsi a lot of the other theater have coke the seats are amazing and I love the fact I can choose my seats online then I don't have to rush to get there. Celebration is always my first choice even though it's the furthest from where I stay!
