North Korean Leader's Son Blamed for Rangoon Bombing. Japanese and South Korean analysts believe that the bombing in Rangoon that killed 17 South Koreans and four Burmese was probably planned under the supervision of the son and heir apparent to North Korean President Kim Il Sung. Although they lack hard evidence,...

The United States has in recent years sought to end Burma's weapons trade with North Korea by strengthening its own relations with the Southeast Asian country. This may have been wishful thinking, given that ties between the two pariah states goes back decades, and have survived challenges as deadly as the Rangoon bombing of October
