Personal name. A personal name or full name is the set of names by which an individual is known and that can be recited as a word-group, with the understanding that, taken together, they all relate to that one individual. In many cultures, the term is synonymous with the birth name or legal name of the individual.

My name is Asia. I have got to be the oldest person with that name, I'm almost sure of it. I was born in the late 60s. Growing up I hated my name. Because the teachers would say Asia major, Asia minor. I was only 6, I had no clue what they were talking about. So I had to grow into it, like the name Hazel, or Ethel, you have to grow into it.
