Picture Of A Rainbow Fish

The Rainbow Fish is a children's book drawn and written by Marcus Pfister, Swiss author and illustrator, and translated into English by J. Alison James. The book is best known for its morals about the value of being an individual and for the distinctive shiny foil scales of Rainbow Fish. Decode Entertainment turned the story into an animated television series of the same name, which had aired ...

Marcus Pfister was born in 1960 in Bern, Switzerland. After attending art school in Bern and receiving training in graphic artistry, he worked from 1981 to 1983 in an advertising agency. In 1984, he left the agency to focus on his own art, namely picture books. He published his first picture book, *The Sleepy Owl*, in [...]

Marcus Pfister - The Rainbow Fish

The Rainbow Fish is a book written by Marcus Pfister. Its about a fish that is more beautiful than all the other fish because it has shimmering scales. When asked if he would share his beautiful scales, Rainbow Fish replied that he would not. In the end, he decided that having friends was better than being the most beautiful fish in the sea.. The beautiful pictures alone will draw your ...

Rated 5 out of 5 by fredandethel from An evergreen favourite One of the first games I ever bought, and even though I now also have *Rainbow Webs 2* and *3*, as well as many other games of all sorts, this still stands up well as a beautiful little game to play at bedtime. The backgrounds are enchanting, and the way the colour comes back into the map as you achieve each level is charming.
