In Chinese, the word "lily" means "forever in love." These beautiful and fragrant flowers have been a symbol of purity for more than 3,000 years, and can be enjoyed as a cut flower in an arrangement or growing in your garden. The cultivation of lilies dates back to 1500 B.C. with the Madonna lily ...

### **Planting and Caring for Lilies | Martha Stewart**

Calla lily (*Zantedeschia aethiopica*) is a distinctive, long-blooming plant with impressive trumpet-

shaped flowers atop sturdy green stems. This South African native, which can reach mature heights of 3 feet (1 m.), is considered a marginal aquatic plant, which means it grows in moist soil along riverbanks, ponds or streams, or around the edge of a water garden or rain garden.
