Avg. Dealer Rating: (32 reviews) "Talk to the salesman about coming to buy, but had to wait for the weekend due to living in KC and the car is in Wichita, 3 hrs away. Told he we were paying cash and would be there when the dealership opened on Saturday morning when they opened. The salesman was cool until we started talking about the total price of car.

Santa Rosa Home Prices and Home Values. Based on three metrics—sale-to-list price ratio, the prevalence of price cuts on home listings, and time-on-market—the market temperature provides information on the current balance of bargaining power between buyers and sellers in this city relative to other cities in the same metropolitan area. A particular city may be identified as a good market ...
