Discussion What's your best "shit my kids say" ever? (self.Parenting) ... Ha, I think I reflexed something to the effect of "you little shit!" and the customs agent got the parent vibe. Thankfully it didn't end with much drama after he came clean on the next question. I did have to explain that it's not okay to be silly around those folks.

Mostly, the stuff kids say is funny and entertaining and in a way, it's a pay-off for all the other indignities they force us parents to endure. For the low, low price of never sleeping again and having no disposable income, at least your kids will provide you with many laughs because of the never-ending stream of ridiculous shit they say.
