I have say that I built my Ember after she was supposedly bugged or nerfed and I still love her. I love being a walking furnace of death, so I use continuity, flow, focus, constitution (I tihnk that is the name of the new mod that extends duration), stretch, and occasianlly throw in a marathon/rush or redirection/vitality depending on the situation.

Comment by Sarthorius Zone: Karazhan The BIG question here should be: What Karazhan blizz, the old raid or the new dungeon? People are talking about 8 currently available bosses in the Dungeon, hoping that the 9th will be Nightbane, but old Karazhan ha 12 bosses, so they could pick up another of those or a totally new one, and the model of this one is EXACTLY the model of old Kara boss.

The term "Maximization" refers to obtaining the highest possible value obtainable in the game which can only be reached by utilizing all possible mods and gear that improve that specific aspect of the ability or weapon. This is a form of "min-maxing". It is usually impossible to develop a build which can simultaneously achieve maximized results on every aspect of an ability or weapon.

The battles of Lemberg, 23 August-12 September 1914, is a collective name given to the series of battles between the Russians and the Austro-Hungarians in Galicia at the start of the First World War. It saw three Austro-Hungarian armies clash with four Russian armies in four main battles that began with Austrian successes in the west and ended with a Russian victory that forced the Austrians to ...
