Lexical Investigations: Critical Thinking Though the phrase critical thinking wasn't coined until the early twentieth century, its principles can be traced back to Aristotle. The educator and psychologist John Dewey first used the phrase in its modern sense in his 1910 book How We Think, though there are instances of the words appearing together in texts before this time.

### **Thinking | Define Thinking at Dictionary.com**

Have you ever had a moment where a bad or negative thought roamed your mind, but then all of a sudden the words just flew out of your mouth, and you were like, "I don't know where that came from?" Well, let me tell you, it's not a coincidence. It actually stemmed from the heart. Luke 6:45 says ...
