Freedom is the 17th studio album by Canadian musician Neil Young, released on October 2, 1989. Freedom effectively relaunched Young's career after a largely unsuccessful decade. After many arguments (and a lawsuit), Young left Geffen Records in 1988 and returned to his original label, Reprise, with This Note's for You. Freedom, however, brought about a new, critical and commercially successful ...

Freedom of action is the property of being free from constraints, especially from external constraints on our actions, but also from internal constraints such as physical disabilities or addictions. Political freedoms, such as the right to speak, to assemble, and the limits to government constraints on associations and organizations such as media and religions, are examples of external freedom.

Even for large objects, the laws of physics are statistical laws. We have known this since Ludwig Boltzmann's work in 1877. Statistical physics was brilliantly confirmed at the level of atomic collisions by Max Born in 1926, and by Werner Heisenberg in 1927, with his quantum mechanical uncertainty principle. Unfortunately, antipathy to chance led many prominent physicists, then and now, to ...
