5.0 Conclusion. SAP NetWeaver Gateway is not designed to be a channel for the type of transactional applications used by Power Users, neither is it designed to replace existing middleware like SAP NetWeaver PI.

A simple overview on SAP Netweaver Gateway | SAP Blogs

SAP Business One Online. Many smaller businesses do not think of looking at SAP Business One software. We often hear comments that people think it is only for the very largest of companies.

SAP Business One Online

Anonym 3 years ago . I was so disappointed to read about the end of the SAP Design Guild project. It was a trove of such valuable information! When I was teaching, I would direct my more advanced students to the Semiotic Engineering Glossary for further information about various topics.

Good-Bye, SAP Design Guild - SAP User Experience Community

Our goal is to bring together experienced and innovative SAP BusinessObjects users and specialists and share their knowledge and advice on how to get the most value and benefit from your BusinessObjects deployment. Every two weeks a new BO themed webinar will occur, featuring case studies, tech tips, and more.

Let's Speak BO: BusinessObjects Webinars and Community

Late last week, a UK court ruled in favor of SAP in the case of SAP UK v Diageo. This is a rare occasion where SAP has chosen to take its efforts to secure license fees for what is commonly termed 'indirect access' through the legal system.

SAP UK v Diageo - an important ruling for customers with ...

Whenever you start working at a new customer who has implemented SAP CRM, you will probably be working in the newest releases of SAP CRM, being CRM 7.0 which uses the CRM Web User Interface, which is based on the business role concept.
